Congratulations to Angela Valentine Employee of the Month for May 2019!

Ms. Angela Valentine has nearly thirty-four (34) years of service in the Permits & Inspections Department. She currently serves as a Permit Technician. In her role, she effectively communicates with people from all walks of life, actively engaging our citizens and employees on an immeasurable level. She has a warm heart, great sense of humor, and reminds us that professionalism should come with a smile.

Ms. Valentine is a native of the great city of Portsmouth and is proud to be a city employee. She recounts when she first became a city employee and how much achievement she felt and still feels to this day. Her work ethic and knowledge of her field are huge assets for this city. She consistently operates ahead of project deadlines and has been called a “walking encyclopedia of permits & inspection knowledge.”

Ms. Valentine extremely values her work and the connection to her coworkers who have become extended family members. When she is not serving our community with excellence, she enjoys spending time with her loving and caring daughter Tamika, her three (3) grandchildren, and her four (4) great-grandchildren. Ms. Valentine said that her daughter has been a catalyst for her life success and that with family, prayer and resilience, anything can be accomplished. She is truly a matriarch in every world she enters. We appreciate the grace, poise and work ethic of Ms. Valentine, and we celebrate her as our Employee of the Month!
