**CHOOSING A DENTIST**

A Delta Dental PPO™ dentist must provide covered benefits. In almost all cases, services rendered by a dentist that is not in the Delta Dental PPO™ network are not covered. There is one exception. You may receive covered benefits from a dentist that is not in the Delta Dental PPO™ network if the covered benefit(s) are emergency services and you are at least 35 miles from a Delta Dental PPO™ dentist’s office. However, your benefit maximum for all emergency services provided by a dentist that is not in the Delta Dental PPO™ network is limited to \$50 per benefit period. **Emergency services** are covered benefits that require immediate attention to alleviate severe pain, swelling, bleeding or to avoid serious jeopardy to your health.

Delta Dental PPO™ dentists have agreed to accept the Delta Dental PPO™ plan allowance. Delta Dental PPO™ dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

You are responsible for the dentist fee(s) when you receive dental services from a dentist who does not participate in the Delta Dental PPO™ network; unless, they are emergency services and a Delta Dental PPO™ dentist is at least 35 miles away.

Please visit [DeltaDentalVA.com](http://DeltaDentalVA.com) to find a participating dentist in your area.

The following chart illustrates how choosing a network dentist helps you save on out-of-pocket costs.
