

Emergency Paid Sick Leave  
Administrative Policy #40

January 8, 2021 (Updated)

I. Policy:

With the expiration of the Families First Coronavirus Response Act (FFCRA) on December 31, 2020, the City will continue to offer Emergency Paid Sick Leave (EPSL) to employees who are unable to work or telework due to (COVID-19). This leave benefit is for one-time use only, effective January 1 through June 30, 2021.

II. Eligibility:

The policy provides full-time employees with two-weeks (80 hours) of paid sick leave. Part-time employees are entitled to paid sick leave based on the number of hours the employees work, on average, over two weeks. EPSL must be made available immediately regardless of how long the employee has been employed by the City.

III. Qualifying Reasons for Emergency Paid Sick Leave:

Up to two (2) weeks of EPSL not to exceed 80 hours for COVID-19 qualifying reasons when an employee is unable to work or telework due to:

- A. They are experiencing symptoms of COVID-19 and seeking a medical diagnosis.
- B. They are subject to a federal, state, or local government quarantine or isolation due to COVID-19.
- C. They have been told by a health care provider that the employee should self-quarantine due to experiencing symptoms of COVID-19.
- D. They are assisting an individual who is subject to a governmental quarantine or self-quarantine because of COVID-19.
- E. They are caring for a son or daughter if his/her school/childcare provider is unavailable because of COVID-19 considerations.
- F. They are experiencing any other substantially similar conditions specified by the Secretary of Health and Human Services.

It cannot be taken intermittently if the leave is being taken because:

- You are subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
- You have been advised by a health care provider to self-quarantine due to concerns related to COVID-19;
- You are experiencing symptoms of COVID-19 and seeking a medical diagnosis;
- You are caring for an individual who either is subject to a quarantine or isolation order related to COVID-19 or has been advised by a health care provider to self-quarantine due to concerns related to COVID-19; or
- You are experiencing any other substantially similar condition specified by the Secretary of Health and Human Services.

Unless you are teleworking, once you begin taking paid sick leave for one or more of these qualifying reasons, you must continue to take paid sick leave each day until you either (1) use the full amount of paid sick leave or (2) no longer have a qualifying reason for taking paid sick leave. This limit is imposed because if you are sick or possibly sick with COVID-19, or caring for an individual who is sick or possibly sick with COVID-19, the intent of FFCRA is to provide such paid sick leave as necessary to keep you from spreading the virus to others.

If you no longer have a qualifying reason for taking paid sick leave before you exhaust your paid sick leave, you may take any remaining paid sick leave at a later time, until June 30, 2021, if another qualifying reason occurs.

#### IV. COMPENSATION FOR EMERGENCY PAID SICK LEAVE (EPSL)

For qualifying events A., B., and C., employees are paid for their normal hourly rate of pay, with a maximum of \$511 per day and the total shall not exceed \$5,110. For qualifying events, D., E., and F., the employees are paid for two-thirds of their hourly rate of pay or minimum wage, whichever is greater, with a maximum of \$200 per day and the total shall not exceed \$2,000.
